

AQUILA POWER CATAMARANS WELCOMES NEW DEALER IN TURKEY

CLEARWATER, FL, USA (3 January 2018) – Recently, Emek Marin joined the Aquila Power Catamaran dealership network. They are currently offering the Aquila 48, Aquila 44, and Aquila 36.

“We are pleased to have Aquila among our lineup of boats and yachts and be the exclusive dealer in Turkey,” stated Riza Çağdaş Çakir, Chief Operating Officer of Emek Marin.

Emek Marin is a family run yacht retailer and service center, operating since the 1950s. They started out by adapting industrial engines for marine use while machining power shafts and propellers. Today, Emek Marin has expanded to become one of the premiere yacht retailers and service centers in all of Turkey. In addition to creating customized yacht technical solutions, they offer the top boat and yacht brands found throughout the world including Hinckley Yacht, Amel, Catana, Nordhavn, Sargo, Fleming, Cruiser Yachts, and now Aquila Power Catamarans.

“Having Emek Marin join our dealership network opens the doors for new opportunities in Turkey,” mentioned Yvan Eymieu, Aquila International Sales and Distribution Manager for MarineMax, the exclusive dealer for Aquila Boats worldwide, excluding mainland China.

Aquila power catamarans is growing in the international market by expanding their dealership network and customer base.
